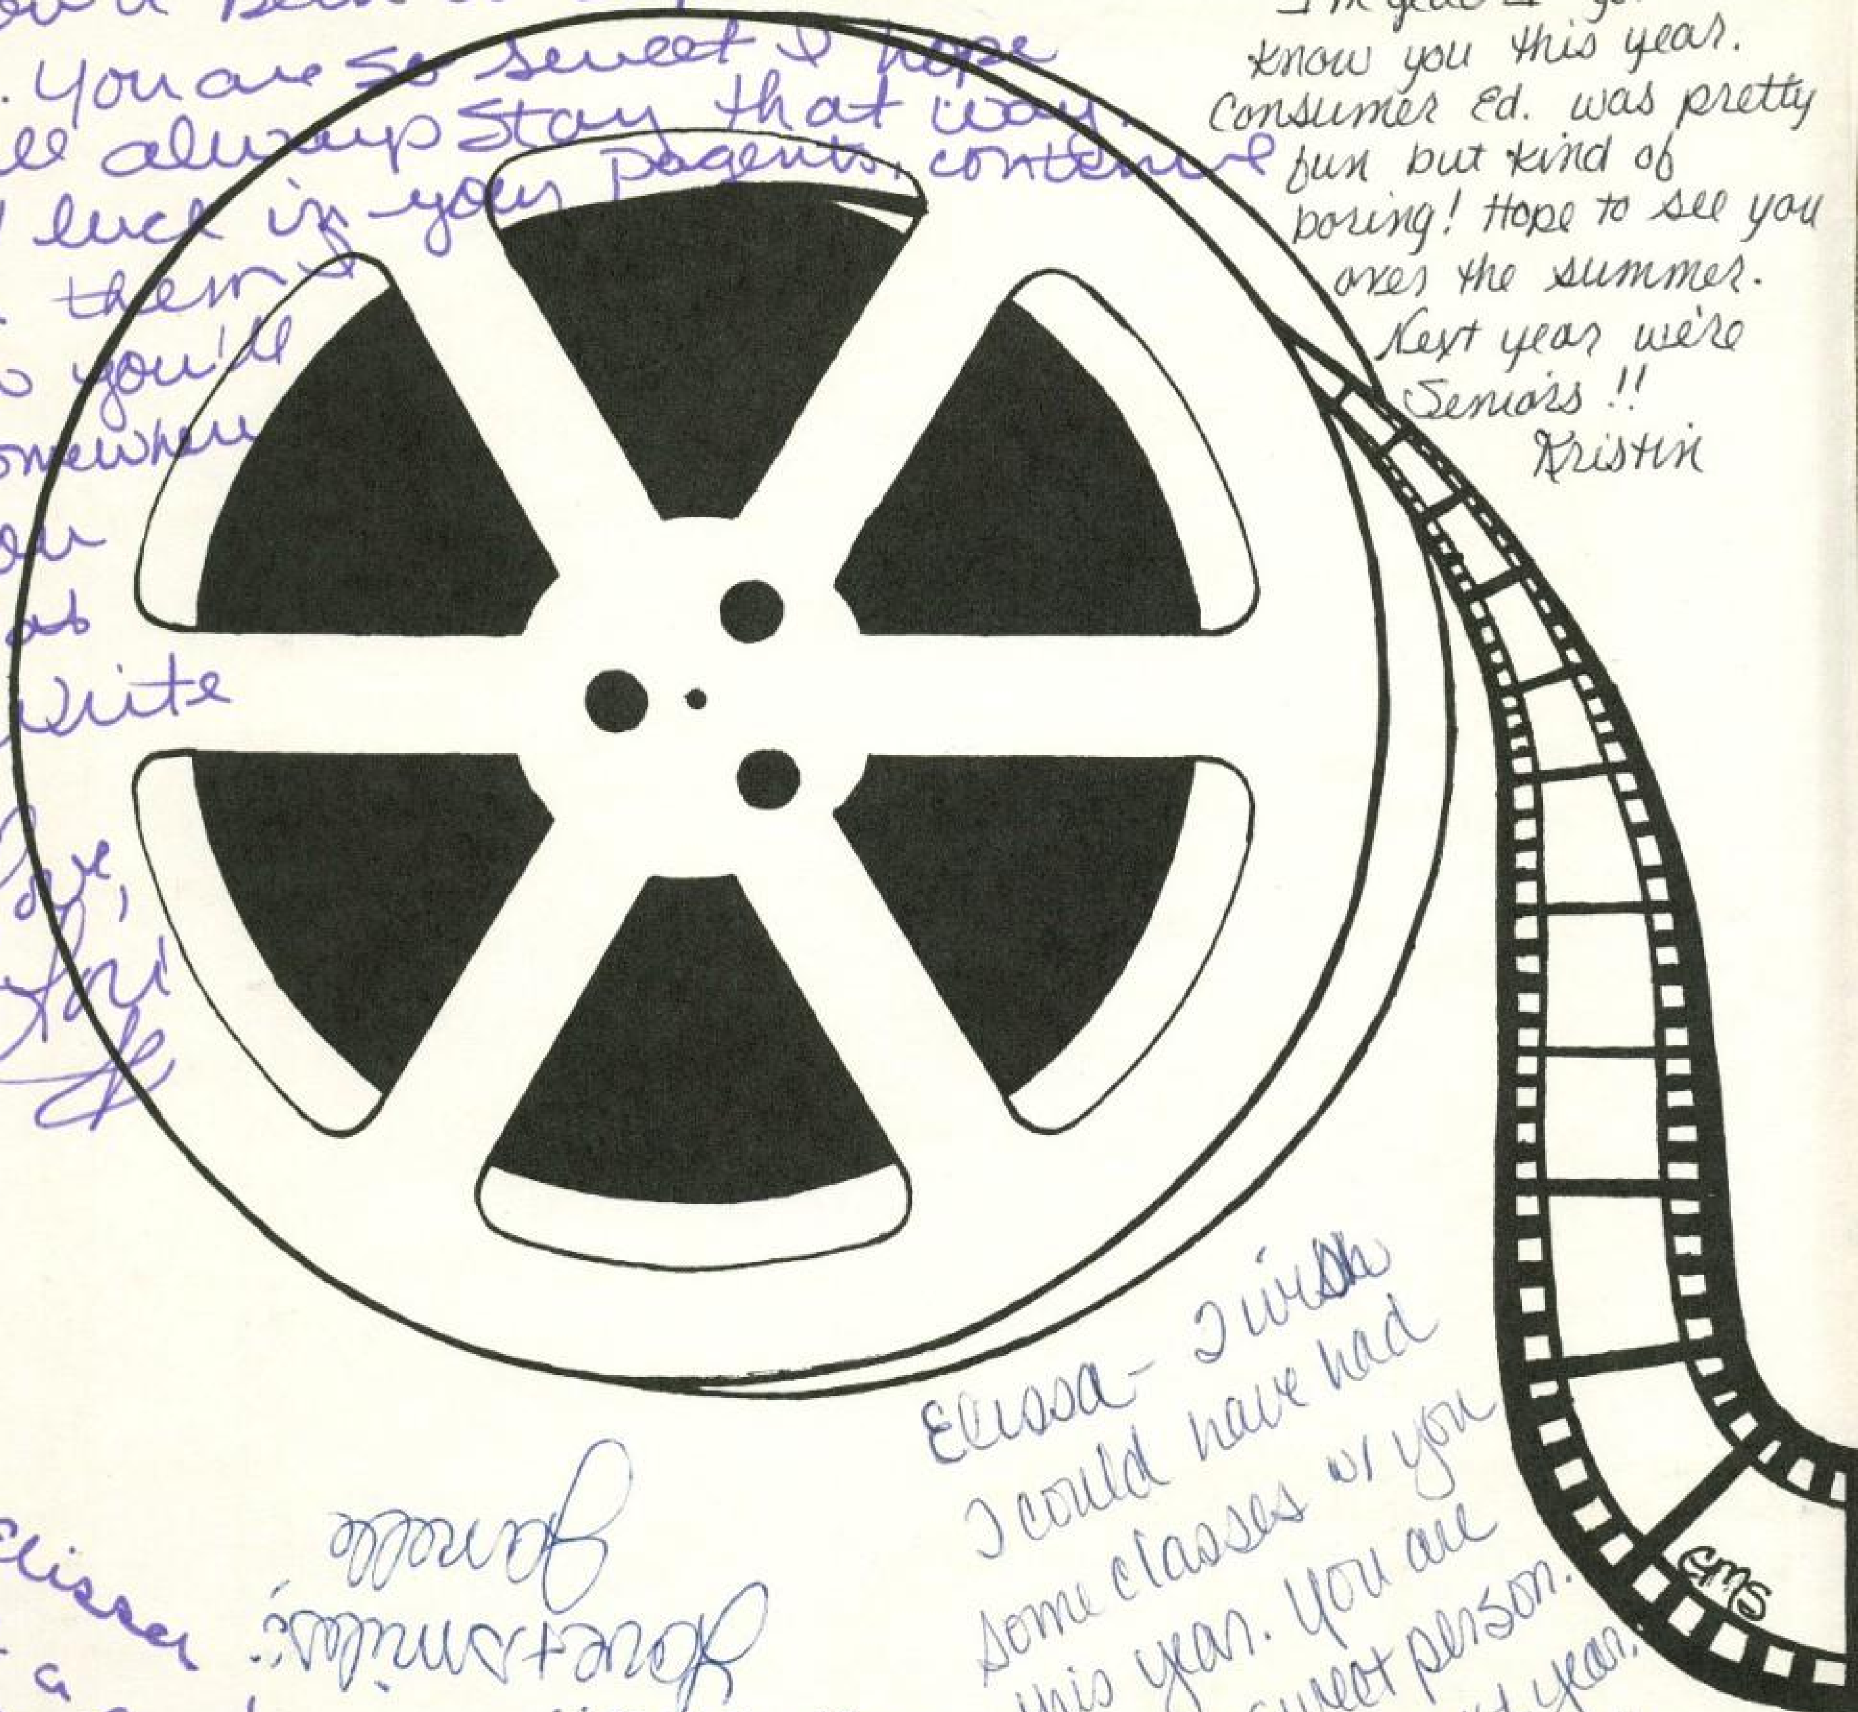
Elissa~
you've been a super neat girl. You are so sweet I hope you'll always stay that way. Good luck in your pagents, continue with them. I know you'll go somewhere if you keep at it. Write me!
Love,
Lori



Elissa,
I'm glad I got to know you this year. Consumer Ed. was pretty fun but kind of boring! Hope to see you over the summer. Next year we're Seniors!!
Kristin

Elissa- I wish I could have had some classes w/ you this year. You are such a sweet person. Good luck next year. Seniors at last! :)
Love
Susan

Elissa,
Your a real nice person to be around. Hope to have class with ya next year. I'm sure I'll see ya over the summer.

Elissa,
Hey, "Oliver" was totally awesome, I hope we get someone good to take Mr. Catanzaro's place. I'll miss him. Thanks for listening to me complaining about my sister! Have a super summer!
Love+smiles,
Janelle

Elissa, I know I don't know you well, but from what I do know you're very nice. Wasn't accounting a blast? Mr. Buckley will miss our class! Good Luck next year. Your friend always,
Denise B.

Elisa!:)
Well, another year gone by! The next one's gonna' be the best! Senior Women! Well, At least I passed gym! I'm surprised seeing that I wasn't there half the time!
Love-n-Sunshine!
Patti :)

Ellisa,
What a year it has been. Party after party of fun. Even though we only had choir together, it was lots of fun. Hope you have lots of new experiences Senior year,
Steve Coates

Elissa,
Sure am glad I got to know you. Have a great summer & I'll hope we have something together next year. Love,
Kelley

Elissa,
Thanks for a great year! Had lots of fun in gym and choir! Remember, Pinky, teacher do it need raise with the cars they got! Best of luck!
Missy Lyda

Elissa,
I think you are really a neat person. I was glad to become your friend this year. I hope you decide to have a lot of talents whatever you do. Have a Most of all have a Senior year. Summer. Have a super summer and stay sweet.
Love

Elissa,
This year has been the greatest with you. I am really glad I got to know you. You have put up with so many stories with Russ and Ed. That takes gutts! I really want to get together a lot over the summer! Hope you don't have to work a lot. Come over whenever you feel like it. You have to see Cory and Jeff. I won't ever forget the night of the Who concert!

Love
Lynn
Krey (420-0939)

Elissa, Glad we became such good friends this year. Inter. Comp was fun. I don't know what I would have done if you hadn't kept me awake the day the documentary were due. Accounting was fun also! (HA-HA) That class was a joke! Lunch was also fun! Have a good summer and I'll see ya next year! Love, Kathy Kotaska

Elissa,
I wish that we had a class together this year maybe next year! now we are SENIOR WOMEN! You're a special person, I'm glad that I know you. Hope you have a wonderful summer! I will always remember our chats about Mark, Jeff etc. Keep in touch!
Your friend,
Sheri Wegner

Elissa, Wasn't tennis fun? Well I hope you're in some of my classes next year too and have a great summer. Senior women rule!

Shoot Yourself

This year the students at Naperville North high school were able to participate in something that has never been done in previous years. They were allowed to shoot themselves and survive.

The shootout took place in the courtyard during the lunch periods. Over 75 students participated in the event and they suffered no pain. This, however, was accomplished through the safe use of a camera. No experience was needed; just a little imagination. The students designed and posed for a picture that they took themselves through the use of a cable release attached to the shutter button on the camera.

The only casualities reported were sore fingers from pushing the cable release too hard.

DISTINGUISHED EDUCATOR
MR. TOM HYMERS

At the 1981-82 All-school Awards assembly, Tom Hymers, instructional coordinator for the math and science departments, received the Distinguished Educator's Award. This unprecedented award was given by the Home and School Association to honor an educator who shows excellence in his field.

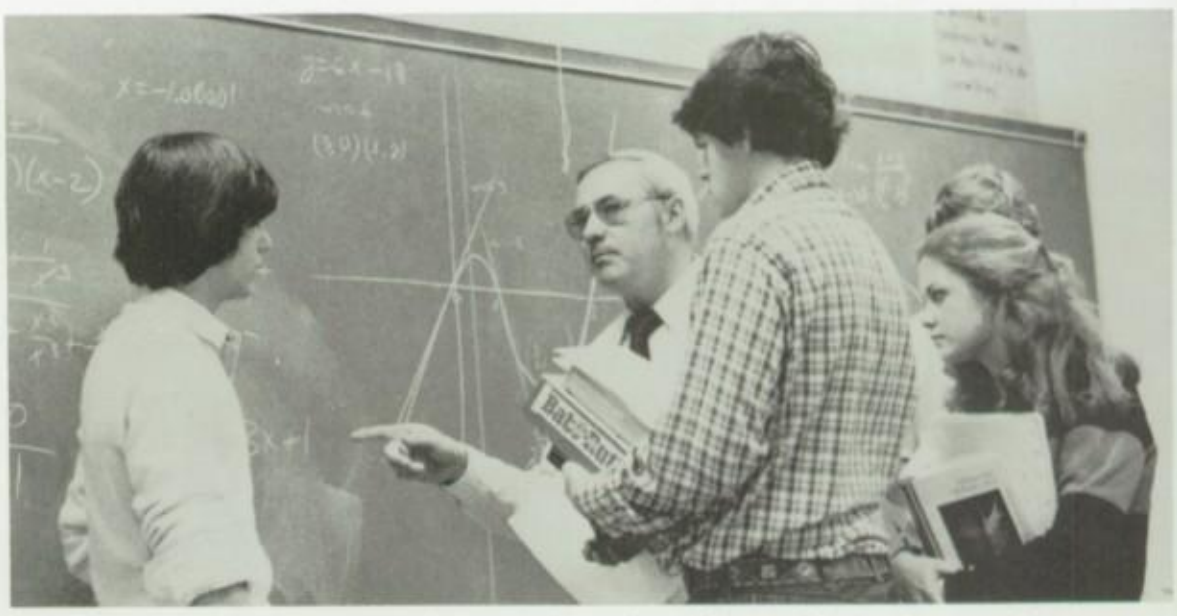
Mr. Hymers was voted by his peers who felt that he possessed the following criteria: An educator who distinguishes himself by demonstrating a genuine attitude of warmth, understanding and caring in his day to day dealing with students. He enthusiastically provides service to his students far above the call of duty both within and outside the classroom setting.

Mr. Hymers felt "elated" by the honor. In his humble words, "I was very surprised. I feel that I was not as dynamic of an instructor as some of the other nominees."

Naperville North is fortunate to have educators like Tom Hymers in its rooms helping both students and staff members.

Dr. Cameron presents the Distinguished Educator Award to Tom Hymers.

Serving in a dual capacity as both teacher and administrator, Mr. Hymers finds his desk piled with papers needing his attention.



Mr. Hymers willingly spends extra time with students who seek his guidance and expertise.

ALL MY CHILDREN

Cancelled

After what seemed like eternity, suddenly, we realized that our high school years were over. Not only were we no longer seniors, but we were no longer high school students. Our senior year was only a stepping stone, an integral part of our high school experience. We had spent four years of our precious youth in high school learning to prepare ourselves for the rest of our lives.

To really understand the meaning of our senior year it is vital to look at past experiences that prepared us for it. In the past, we discovered ourselves. Though we came as children, we emerged as mature men and women. We prepared ourselves to face the consequences that came with our choices; with indifference came failure and with determination came success. We learned from our mistakes and we defeated failure with determination. It was as though through osmosis that we became knowledgeable and acquired qualities we could take pride in. It was a long and sometimes frustrating process that has culminated in our graduation. Our senior year was a summary of our four years in high school, and it reflected a genuine quality that was rightfully ours.

Spin-offs

Our junior year has ended but it was full of fun and excitement. We finally got the chance to drive to school, which officially made us one of the upperclassmen. Other highlights included beating the seniors in the powderpuff game, proving equality among the upperclass women. However luck was not always on our side for we were the first class to lose early dismissal privileges.

Also, as juniors we had to start thinking about our future. We took PSAT's in the fall, some took college entrance exams in the spring, and some of us acquired jobs. This year was filled with new experiences which will become memories for we are to be the seniors next year.

Lunar Rock Exhibit

On November 9th and 10th Naperville North had a close encounter with moon rocks. Thanks to the efforts of Mr. Wilson and Mr. Hopkins, earth science and astronomy teachers at North, both students and public were able to enjoy a moon rock exhibit. Mr. Wilson is a member of an elite group of about 2000 teachers in the United States who are certified by NASA as qualified to handle samples of the moon brought back by astronauts for exhibit purposes.

Mr. Wilson attended a teacher workshop conducted at Goddard Space Flight Center in Greenbelt, Md. Here he became certified by NASA to handle moon rocks. According to Mr. Wilson, NASA scientists claim that the rock samples from the moon are older than surface rocks found on earth. Since the moon's surface is not damaged by the same elements of nature that erode the earth, samples range in age from 3.2 to 4.6 billion years old. Because of the lack of oxygen and weather erosion the elements, although similar to those on earth may have different crystal formations.

Mr. Wilson and Mr. Hopkins developed related displays and organized films and video tapes in the math/science resource center for everyone to enjoy and learn from.

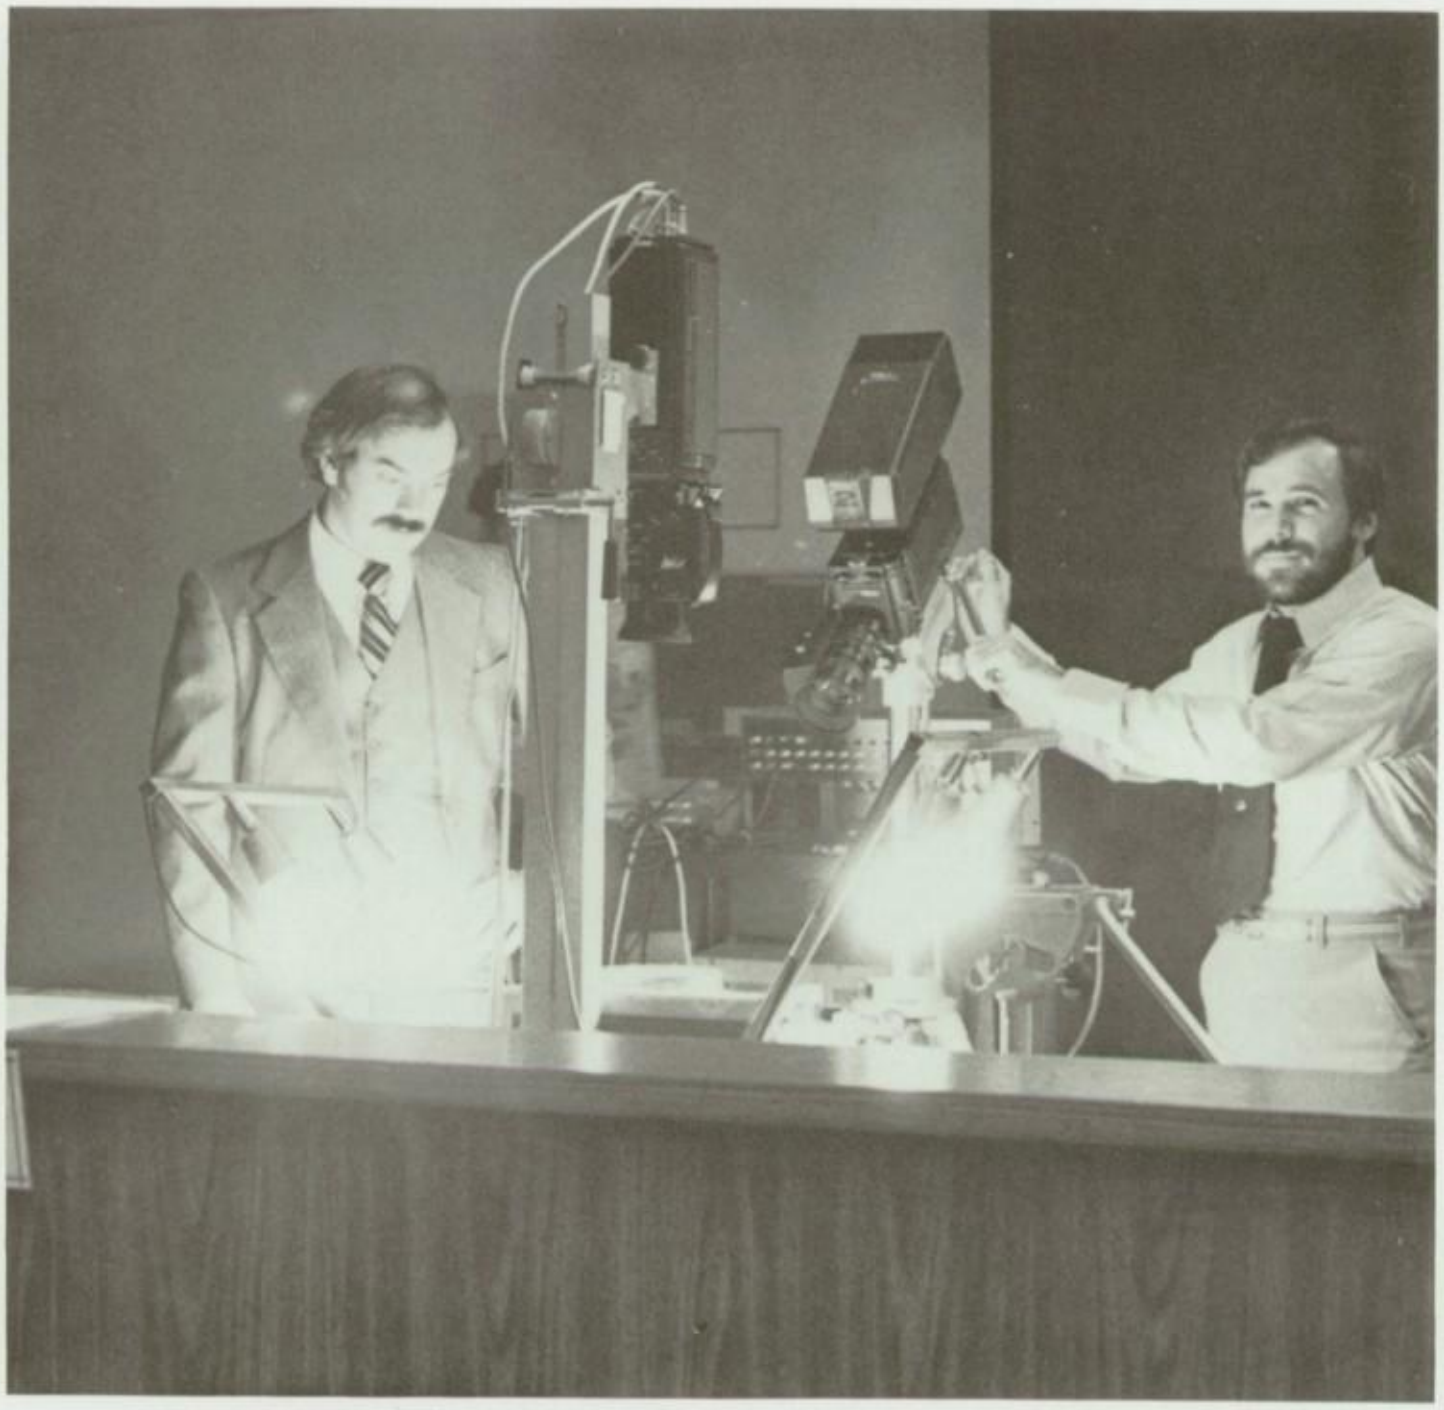
Students line up to get a look at the moon through the new telescope.

Students locate the landing sites of the various Apollo flights on a map of the moon.

Mr. Hopkins and Mr. Wilson examine rock samples under the microscope.

Jon Hall and Rich Digney try out the telescope.

Getting a good look at the moon.



Mr. Wilson adjusts video cameras to get the best view of the lunar rocks.

reshman PS II students try their luck at landing a computerized rocket on the moon.

Mr. Wilson and Mr. Hopkins oversee the Lunar Rock Exhibit in the LRC.

Reruns

The class of '85 moved up and on! We finally got the respect we deserved: no more "mallard" as we walked down the hall, no more lockers on the second floor, and no more study hall in room 172. But, yet, we still weren't upperclassmen.

Sophomore year wasn't really a year of many changes. Sure, we lost our freshman shyness and gave the faculty more trouble. Those lucky ones that got their drivers license were envied by those of us that didn't. Unlike freshman year, when we were unsure of ourselves, we got more involved in the clubs and activities.

We're also the first sophomore class that doesn't get to pick our gym units; sticking us with conditioning and square dancing to name a couple. It was our turn to be looked up to, instead of doing the looking. Watch out '84, the class of '85 is movin up!

Mallards! Didn't you hate that? Remember at that class assembly when our cheerleaders had finished their cheer, and all the Upperclassmen chanted, "Way to go Mallards, way to go!" You'd think we were the school mascott. But in whole, the school year was more exciting than Junior High.

Kristen Grube and Vince Polizzi charmed their way into the Homecoming Court.

All things weren't easy going. Freshman year was a hard year with pressures caving in on all sides.

But now we all move on as a team. Like an old book says, "Get all the advice you can, and be wise the rest of your life."

A Foreign Affair

The French club is open to all French students interested in learning more about the language and customs of France. This group has meetings at which the students participate in French games, eat French foods, and hold contests against the German and Spanish Clubs.

The French Club was able to enjoy French cuisine on a special trip into the city. With Mrs. Strahl's supervision, the French Club was introduced to various French traditions.

Aces are wild.

The French Connection.

German Club

"How about a Hawaiian Punch?"

Every year the German Club plans action-packed activities which include an International Banquet, Christmas party, spring picnic, Oktoberfest, and a volleyball match against the French Club and Spanish Club members. This year the German Club consists of 30 members. The club holds one meeting a month. The first meeting of the year is an election where the officers are chosen. The remainder of the meetings consist of organizing and planning the club's activities.

Spanish Club

During the 1982-83 school year the Spanish club was very active. During the fall they were busy preparing a float for the Homecoming parade in which they passed out flowers to the crowd.

During the Christmas season they ate at ElAdobe, a Mexican restaurant. In addition, they visited the International Christmas exhibit at the Museum of Science and Industry and enjoyed lunch at ElToledo, a Spanish restaurant.

The Spanish club also contributed to Mardi Gras week and participated in various activities with the French and German clubs.

The National Honor Society is open to juniors and seniors elected by the faculty based on their leadership, scholarship, character, and service. These students participate in school and social projects for the community and school. Many of the Honor Society members tutor their classmates who need a little extra help. Also during the school year NHS sponsored a Sock Hop, donating the money to needy families. They also sold Huskie pins to pay for the D.J. from the dance; other fund raisers to help better the community.

The North Star

Throughout the 82-83 school year The North Star proved to be provocative, interesting and informative.

With the helpful guidance of sponsor, Pat Martin, the North Star staff branched out into many aspects of journalism. All "touchy" subjects which concerned students and faculty at NNHS were handled appropriately and tastefully. Sports, entertainment and feature pages proved to be unbiased no-nonsense reading.

In addition to the writing efforts, the graphics in each issue became equally important. Fast action photography and eye-catching illustrations became established with the primary issues of the 82-83 year.

All three levels of cheerleaders — Freshman, Sophomore, and Varsity, worked very hard this year. Each girl had to make the practices and attend each voice straining game, plus keep up her grades. All teams cheered for football and basketball games, with Tammy Cooper leading the Varsity as captain.

Getting to be a cheerleader wasn't easy. The tryouts were jam-packed with anxious girls, doing their best at the stunts and sideline cheers, hoping to be among the few chosen to represent North.

In January, a combined group of Sophomore and Varsity cheerleaders competed in the Palatine Cheerleading Invitational, placing second.

Pep Leaders

The Pep Leaders are the cheerleaders for all varsity soccer and wrestling meets. They practiced twice a week for about 2-3 hours. The Pep Leaders supported their teams with cheers, posters, baked goods, and pep rallies. This year, for the first time, they competed as a squad, placing 4th in their division at the Palatine Cheerleading Competition. The Pep Leaders not only supported their school activities but contributed to community service projects as well, by giving a benefit dance for the Cancer Society, raising $850.

Starlettes — #1 in State

Halftime show, the Twilight Zone.

The Starlettes are the varsity drill team of Naperville North. This team is composed of 10th, 11th, and 12th grade girls who are willing to practice kicks, splits, routines and work long hours after school.

The Starlettes competed throughout the year in State drill team competitions, winning many awards. The new advisor, Miss Dreveny, has maintained the girls high standards with her expertise and leadership. The hard work and long hours paid off. The highlight of the year was winning 1st place at the State Drill Team Competition.

Sparkettes

The Sparkettes did very well this year. The girls were close and all were hard workers. In between homework and other duties, the girls practiced Tuesdays and Thursdays from 3:30 — 5:00, in preparation for the games. It took the squad about three practices to get the routine of cheering down and perfected.

The first time the girls had to go in front of people with their routine, they all couldn't stop shaking, but all the worry was for nothing.

As Cindy Mersman remembers, "Sparkettes has been one of the best experiences of my life."

Newcomers

The main purpose of the Newcomers is to introduce and welcome new students to the area and to Naperville North. The club helped the new student adjust to new surroundings and new classmates. Meeting people is the primary goal and friendliness is the only requirement.

Ski Club

Ski Club is a group composed of students who enjoy skiing or would like to learn. These skiers meet to view ski films, ski in surrounding areas, and take some special overnight ski trips. The big trip of the year was to Steamboat, Colorado over Spring Break. It was seven days long and a mountain of skiing. All the students were invited to participate in any of the ski trips and many responded.

Holiday on ice.

The 1982-83 Huskies hockey season was a year of rebuilding for the club. While the varsity team won about half of its games this season, the junior varsity program was very successful — winning all but two of its contests.

Fond farewell and best wishes are extended to graduating seniors Rick K., John B., and Scott P. for their contributions to the club throughout their high school years. Also, special appreciation is in order for Mr. Keith Mathewson, who retired from coaching at the end of this season. As a result of his drive and direction, the hockey club at Naperville North has continued its history of growth and success.

The Sound of Music

The Marching Huskies spent many hours preparing for the shows you saw at half-time. They began a week before school started, and continued working for 2 months, during which time they were sure to be found every morning, practicing on the athletic field, charts in hand. The band met every Tuesday night to rehearse their music, and on Wednesday nights they marched at Memorial Stadium to iron out the rough spots.

After marching season, the band divided according to class, with the upperclassmen in the Symphonic Band, and the Freshmen in the Concert Band. Second semester, due to decreased band members and uneven instrumentation, they combined into one band. They gave a Winter Concert, a Spring Concert, and ended with their Pop Concert.

The Northern Lights

Northern Lights has had a very exciting year. Sixteen members of the flag corps squad attended the Marching Auxiliary Camp of America at Illinois State University and returned with a superior trophy for their performance.

Eighteen new flags were purchased, highlighting the girl's performances. Later in the year, Mr. Handel became the new sponsor and the squad prepared for competitions at Palatine and Downers Grove North in February.

Thanks to the hard work of Mr. Handel, the captains; Rita and Pam, the Northern Lights were a bright spot at Naperville North.

Concert Choir

Choir performs for Homecoming Assembly.

Soloists

This year the Concert Choir had a most impressive year beginning with a late Fall Concert in November. Christmas time was one of the busiest seasons; they traveled to Fox Valley and entertained the audience at their Candlelight Christmas Concert. The biggest event for them was the musical, **Oliver,** which starred almost all 80 members. Finally, the Spring Concert wrapped up a busy, yet "harmoneous" year.

Somewhat different from Concert Choir is the Chorale. Selected members of the choir make up this special group whom this year received new apparel for their performances.

Although many of the talented seniors will be graduating and missed sincerely, there are still many gifted singers that will undoubtedly take their places in the years to come.

The 1982-83 Girls Chorus had a very busy year under the direction of Mr. Coleman. They sang at the three major concerts of the year: Fall, Candlelight Christmas, and Spring. It's been a great experience for them, and we know good things will happen when the girls move up to Concert Choir next year.

Mr. Coleman leads the girls in their first performance.

Orchestra

Last year, orchestra changed for both North and Central students. They were still combined but it was the year when orchestra was held at Central. North students had to be on the bus by 7:30 in order to get to Central to practice and then get back to North for second hour. Next year, Central students will come here. On Wednesdays the strings were joined by selected band members. The Orchestra gave a winter concert, parts of which were taped by a local radio station to be broadcast on Christmas Day. They also played for both North's and Central's musicals.

Pep Club

While everyone was on the beaches and enjoying the summer vacation, Pep Club was busy making plans for Homecoming. Under the direction of Mrs. Hauser and chairperson Elizabeth Thew, this year's homecoming had one of the best responses from the student body and faculty.

Besides the traditional Game Night and Bonfire, Movie Night — featuring "Young Frankenstein" and "Psyco" was added. Costume Day and a Pumpkin Carving Contest also highlighted the events. Besides homecoming, Pep Club sponsored an Airband contest held in Mardi Gras week. Bands made up of students performed with the music from the band of their choice.

Student Government

Student Government's purpose is to represent the student body. They have a grievance committee, where members listen to the complaints of the student body and then relay them to the administration. They had a wishing well to raise money for a food drive. Furthermore, Student Government held their annual Blood Drive, collecting a record 120 pints. In addition, they sold carnations for Homecoming and candy canes for Christmas, with the proceeds going to a new bulletin board, F.I.S.H. and a new school flag. They also held a Mardi Gras week, with Spring Dance as the final event.

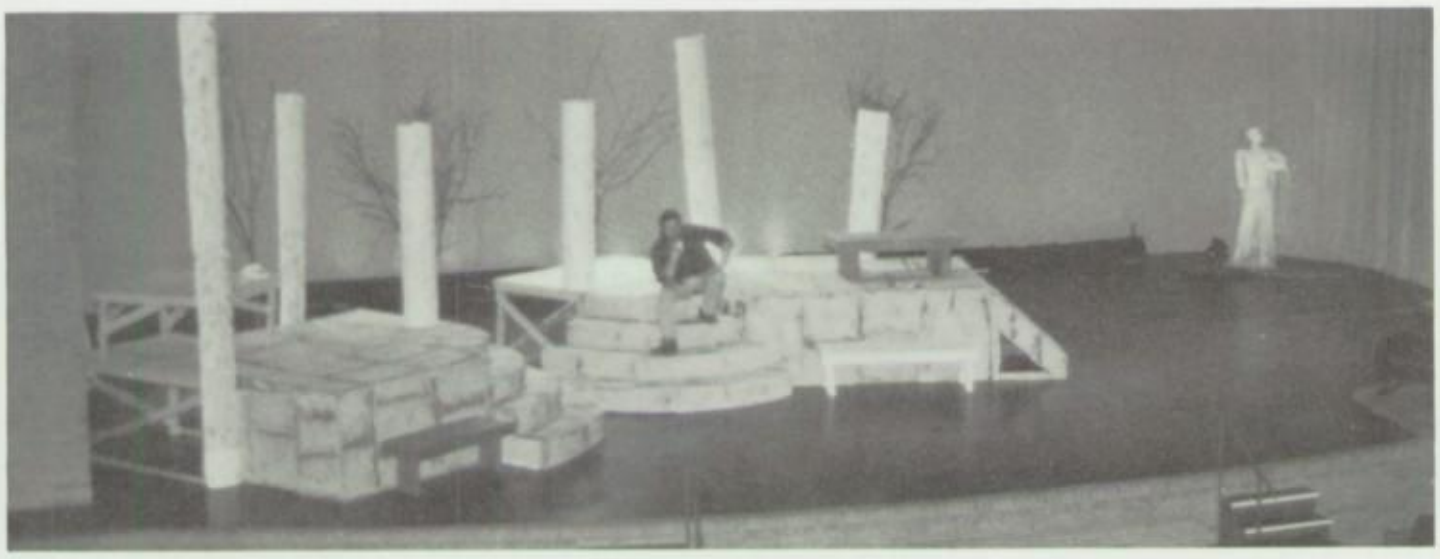
Stage Crew

If I had a hammer . . .



All in a days work.

The Scene Players is Naperville North's drama club. The main function of the Scene Players is to produce the plays. The group meets during play tryouts and the lucky students that get parts in the plays rehearse many hours after school. The club is open to any student interested in drama.

Scene Players is made up of two parts, the Stage Crew and the Lights and Sound. The main purpose of the Stage Crew is to construct sets for the plays. The sets are constructed almost completely by hand. This experience gives members training in construction. The Stage Crew meets after school, before plays, and on week ends. Also, during plays, Stage Crew is responsible for the difficult job of quickly changing the sets between scenes.

Thanks to the efforts of Lights and Sound, the plays receive very special sound effects and interesting lighting techniques. They manage spotlights and microphones that all add to the quality of the performance.

Key Club

Key Club means Kiwanis Educated Youth, associated with the Kiwanis. Key Club's purpose is to raise money for needy organizations, or to spend their time with people that need companionship, young or old. This year, they started monthly visits to Edwards Hospital, visiting the children and cheering them up. Around Christmas, the Club went caroling at the nursing homes in the area, bringing Christmas Spirit to the elderly. Furthermore Key Club is sponsoring a C.A.R.E. child in Bangalore, India. On November 18, they showed the faculty their appreciation by providing a luncheon. As Big Brothers and Big Sisters at Halloween, they played games and carved pumpkins with needy children from the area. Key Club also held a sock-hop, with the proceeds going to the Spastic Paralysis Fund.

Reflections

It's not always work and no play!

Preparation began during the summer for the 1983 Reflections. In August the editor, Judy; asst. editor, Leslie; and Colleen attended a yearbook convention in North Carolina, while the photographers attended another convention in Batavia. They were all ready to pass on their increased knowledge in writing, editing, layouts, artwork, and photography to the staff.

The staff consisted of select students who worked long hours. With the supervision of Mrs. Ladd, the Reflections Staff completed another NNHS yearbook to be proud of.

Math Club

The Math team was composed of students interested in math topics and concepts. The club met often to discuss topics, to work on projects, and to prepare for math contests throughout the state.

The two major math contests were the Atlantic-Pacific Math contest and the Illinois Math League contest. Both tests were divided into a series of six tests covering a vast area of math topics and concepts and the best ten scores for each contest were sent into the National competition.

The Math Club provided students who were interested in various areas of math a place to show their computational abilities.

DECA

The Business clubs and organizations at Naperville North, which consist of CWT, DECA, FFA, HEO/HOCE and OEA all prepare students for the business world. Many of the organizations participate in extracurricular activities that develop leadership and citizenship.

For example, DECA (Distributive Education Clubs of America) undertook many fund-raising events during the year and also competed in Area, State, and National seminars.

The VICA (Vocational Industrial Clubs of America) students are interested in industrial related careers and enrollment is granted to the student who successfully completed high school classes that were directly related to his career choice.

Another organization that participated in various competitions was OEA (Office Education Association). However, it was not all work and no fun. OEA sponsored a volleyball social, fashion show, Christmas Party, spring picnic and also an Employer Banquet.

Another club that competed in numerous contests and plant shows is FFA (Future Farmers of America). This organization was formed in 1977 and has aided agricultural and horticultural students.

However, CWT (Cooperative Work Training) does not participate in competitions or outside activities. Instead, the club concentrated on preparations for the annual employers appreciation banquet.

Real People

This year North is seeing some new faces. This is the first year trainable mentally handicapped students have been integrated into Naperville North. These teenagers come from all over DuPage County to Naperville's TMH program. With two aides and three staff members, Mrs. Tasler introduces each student to areas of cooking, music, shopping, typing, art, and P.E. Between these activities the eleven TMH students learn basic skills. "Our students can learn many things but they learn more slowly than most of the students here at North," adds Mrs. Tasler.

All the students involved in the special education programs are being integrated into the public schools. After integrating these students with their peers the outcome has been successful. The TMH teenagers exposed to the high school atmosphere have matured and have learned things in a different way.

Mardi Gras Week

This year Naperville North Student Government sponsored a Mardi Gras week filled with exciting events. On the first day of the week, the Jazz band played during the lunch periods to announce that Mardi Gras week had arrived. The first major event during the week was the student/faculty basketball game, won by the students. An ice cream social was sponsored by the Key Club on Wednesday and the Pep Club held the first Airband contest Thursday night. The Starlettes sponsored a legs contest in which students voted for the best looking pair of male legs. The week was capped off by the traditional girl ask guy spring dance, Catch a Star.

Coach of the Year
Dick Whitaker

The 1982 school year was a memorable year for Dick Whitaker, Naperville North's basketball coach. It was this year that he received, not only one but two Coach of the Year awards. The first award was given by the Naperville Sun. Coach Whitaker was the second recipient of this award. This award distinguished Coach Whitaker from a field of seven coaches, nominated by the four athletic directors from the area served by the Sun including Naperville North's Neil McCauley. This honor was a surprise to Coach Whitaker but nonetheless he was well deserving of the award.

The Illinois Basketball Coaches' Assn. District 9 also named Coach Whitaker Coach of the Year. He felt especially honored by this award because it was his colleagues, the other basketball coaches, that recognized him.

All in all, it has been a very memorable year for Coach Whitaker. Both awards were highlights of a 26 year coaching career, 8 years of which were here at Naperville North.

Coach Whitaker and Athletic Director Neil McCauley admire the trophy.

Coach Whitaker displays the driving intensity which got him the Coach of the Year Award.

STARWARS

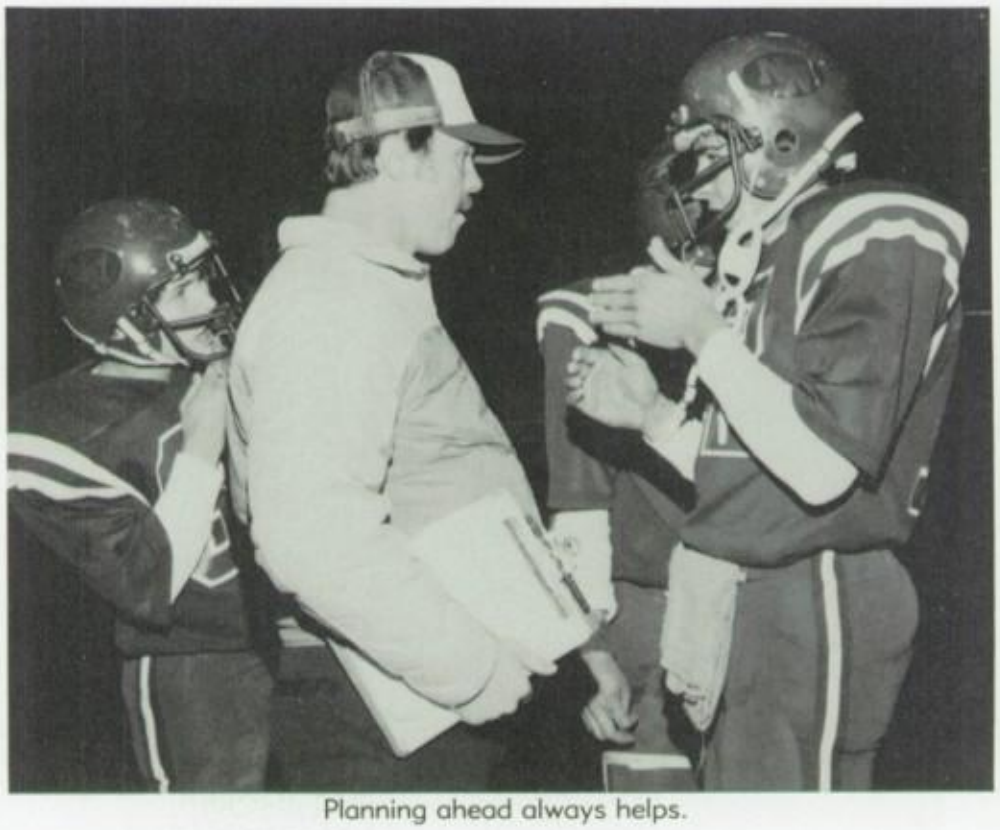
The Longest Yard

"This year's football team had a lot of hard luck. Some key people got injured and were out for the season. Many of the games could have gone our way, but the breaks were not with us." states John Filiatrault. The varsity season was uneventful, and the team record was 2-7. Although scores were low, the team had high spirits.

Sophomores had a successful season. The crowds cheered them on as the team won many breathtaking games. The team is already preparing for their varsity year.

The freshmen teams were dedicated and worked hard. They showed that football is not as easy as it looks.

Both teamates and students are proud of Mike Boese and Bob Cameron. These players were chosen for the all-conference team.



Planning ahead always helps.

The Sting

Soccer has become a very competitive sport in the last few years, and it shows by the Huskies team efforts. Their enthusiasm and teamwork for the sport was always evident. This is shown by the varsity team finishing third in the DuPage Valley Conference with a record of 9-6-5. The Sophomore team proved to be a continuing success; their record was 15-1-3. Further congratulations are given to the 14-0-0 record held by the Freshmen.

Special recognition is given to Dan Pettigrew and Kelly Kirchoff who made all-sectionals and all conference teams. Dan was also chosen by his teammates as the most valuable player and he was selected to the all-state soccer team.

Race ya!

The second year of girls' soccer at NNHS kicked off differently this year. Coach Harris and Coach Beckman conducted tryouts, selecting girls who had competitive skills and team enthusiasm to represent the 1982 teams.

The varsity finished with a record of 15-3, averaging four goals per game. Out of 18 games, 9 games were shutouts, and 7 games had only one goal scored by the opposing team. The varsity came in 3rd at the Illinois Invitational, and 1st in the Northern Illinois Tournament.

The J.V. had a 9-3-0 record. They gave up only four goals all season.

The girls each received a key chain from the coaches with the scores and the names of both teams to remember their spectacular year of soccer at NNHS.

Different Strokes

"We got better but so did the rest of the teams at state," explained Coach Rosenthal of the 1982 Girls Golf team. The girls placed 9th in state and ended their season with a terrific 13-2 record. Amy George and Karen Palacios tied the record for individual scores in 9-hole matches. Amy also broke the record for the lowest 18-hole score which was previously held by Karen. This year's team has six state qualifiers. They included: sophomores — Kim Whitler and Amy George, juniors — Karen Palacios, Kim Hill and Patti Loeber, and senior — Nancy Broadbent. The MVP award went to Kim Whitler. "As a team we were far better than last year. We had the best averages that we've ever had," commented Coach Rosenthal.

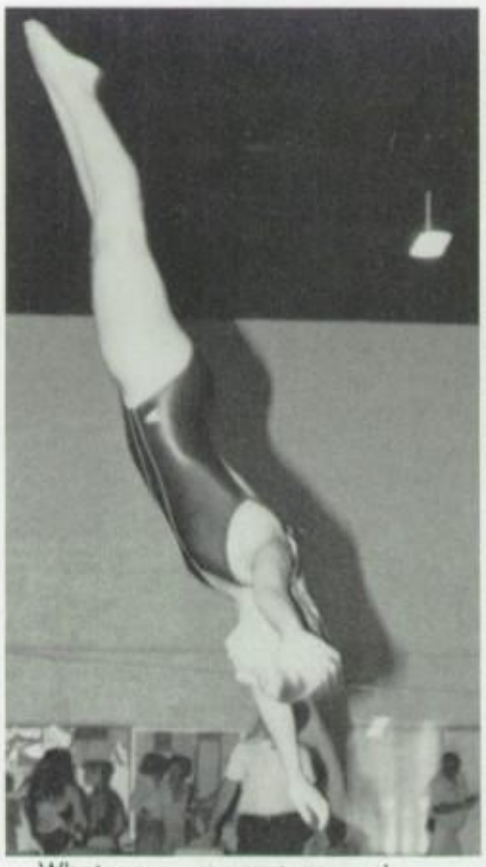
The Deep

The girl's varsity swim team had another tremendous season, rounding out their season with an 8-3 dual season record, and an excellent 6th place finish at State.

North's senior women; Lisa Ashby, Sheila Delaney, Ellen Nadelhoffer, and Sue Peters made an impressive showing at State, capturing first place in the 200 yard medley relay and setting a tough school record to break. Senior diver Janet Lahti also had an outstanding season, setting two new school diving records and placing eights at State.

The J.V. team had an excellent year with a record of 6-2-1. Our J.V. squad showed that North will remain strong in the years to come.



What goes up, must come down.

Sue Peters concentrating hard.

Coach Raab gives his advice

The 1982-83 boy's swim team enjoyed another outstanding year under Coaches Klumb, Kasten, and Mazzarella. The meets were a lot more exciting this year, thanks to rowdy group cheering, led by seniors Paul Payette and Brian Milburn. The Varsity squad swam their way to a perfect 8-0 dual meet record, followed closely by the J.V. team with a super 7-1 record. Many of our first-rate swimmers and divers will be lost through graduation, but the strong J.V. team has proven that they will be right there next year to carry on the great tradition.

The Competition

The girls pulled through again! The varsity won the conference and shall be moving on to new challenges. Their two and a half hour practices had paid off for the J.V. placed in conference along with the freshman girls, who placed second in Conference.

The girls were delighted with the support they received from North and this was paid off by their excellent year. As Coach Foster stated, "We had a great season, and we are looking forward to even better ones."

State Tournament — the agony and ecstacy

First NNHS Team To Go Downstate

Naperville North girl's basketball had what you might call a successful season. The Lady Huskies won the regional, sectional and supersectional titles and became the first basketball team from Naperville in 68 years to travel to the IHSA tournament.

Senior Juliet Taylor deserves special recognition for receiving the Suburban Trib Prep Athlete of the Week Award. Top scorer for the season was Darcy Lorenzen with 422 points.

No one stands in the way of Tracey!

Chalk up another two for Andrea!

Coach Shymkewich decides on the winning game plan.

The varsity basketball team fought hard and played well this season, but not hard enough to make it to sectionals. With an overall record of 7 wins and 11 losses, and a conference record of 4-9, Coach Whitaker has every reason to be proud of his players. Senior, center, Chris Edwards led the team through many of the games along with seniors Tim Schau, Chris Henry, Paul Pedersen and Rick Arnold at his side.

Next season, with the help from juniors Caris McDougald and Carl Jensen the Huskies will make a fast break to the top of the conference.

Perpendicular on the parallels

For the NNHS gymnastics team; this has been a year of many new faces. The gymnasts not only had new freshmen joining the team, but both coaches were new as well. Mr. Omi has returned from a year's leave of absence to take the job of head coach. Mr. Foerch, the assistant coach, is a new social studies teacher.

All the gymnasts have contributed much to make this year a successful one. All of the girls practiced 2½ to 3 hours a day, often not getting home until 7 p.m. With Coach Omi's understanding, Coach Foerch's expertise and the dedication of all the gymnasts, both J.V. and Varsity had winning seasons.

Kathy Chang competes on the uneven bars.

Well Elissa,

Another year has gone by and we made it through alive! I don't know how! It's been a lot of fun with you this past year. Buckley's class was so much fun. Too bad we couldn't take him next year. I'm sure he's real disappointed. I can't believe how much my life has changed over the past year thanks to you and Doreen + Julie. I've made so many good friends this past year and I'll never forget you. You made Consumer Ed bearable, if that's at all possible and we better get a lot of classes together next year. You're a really sweet girl and I love ya for what you've given me. I'll always be in debt to you. Thank you!

Mickey ☺

Two charcoal sketches.

Bozo's Circus

"Step right up and try your luck", and "Only a quarter per try" filled the fieldhouse during the 1982 Carnival. This was a typical atmosphere that was present at the carnivals held at North. However, this carnival has topped the previous ones. People of all ages poured into the fieldhouse to try their luck on the student-operated booths.

Many of the clubs and organizations at North tended their booth hoping that many people would try their game. An always popular game, pie throwing, attracted many players, hoping to hit someone in the face. Other games that were popular were the tic-tac-toe and the poster-toss.

After many hours of hard work and excitement, the carnival came to a close. Many people walked around with their valued winnings. Collectively, it was a joyous night at North. It was a time where everyone could relax and break-away from the daily routine to enjoy all the excitement a carnival offers.

No other word to describe it.

We've Got Tonight

Highlighting the end of the 1982 school year was the Junior/ Senior Prom. This event provided a memorable night for many students and their dates. For the seniors, it was the last opportunity to attend the Prom as students at North. For the rest, it is a start of a new social event.

Starting with the dinner, the Prom progressed beautifully for the rest of the evening. The slide show offered an excellent chance to remember the past year. Queen Lisa Huffman, her court, and their escorts charmed their way through the crowd and commenced the dancing, the highlight of the evening, to the tune of "We've Got Tonight".

Laura Rich and her date enjoy the evening.

Dance the night away.

Prom wouldn't have been the same without Dave Sutton, Lee Schroer and Ron Kukla.

Roberta Huntington and escort.

Prom Court: Jenny Grube, Lynn Gray, Lisa Huffman and Roberta Huntington.

Lean to the left, lean to the right!

Star struck.

Say cheese!

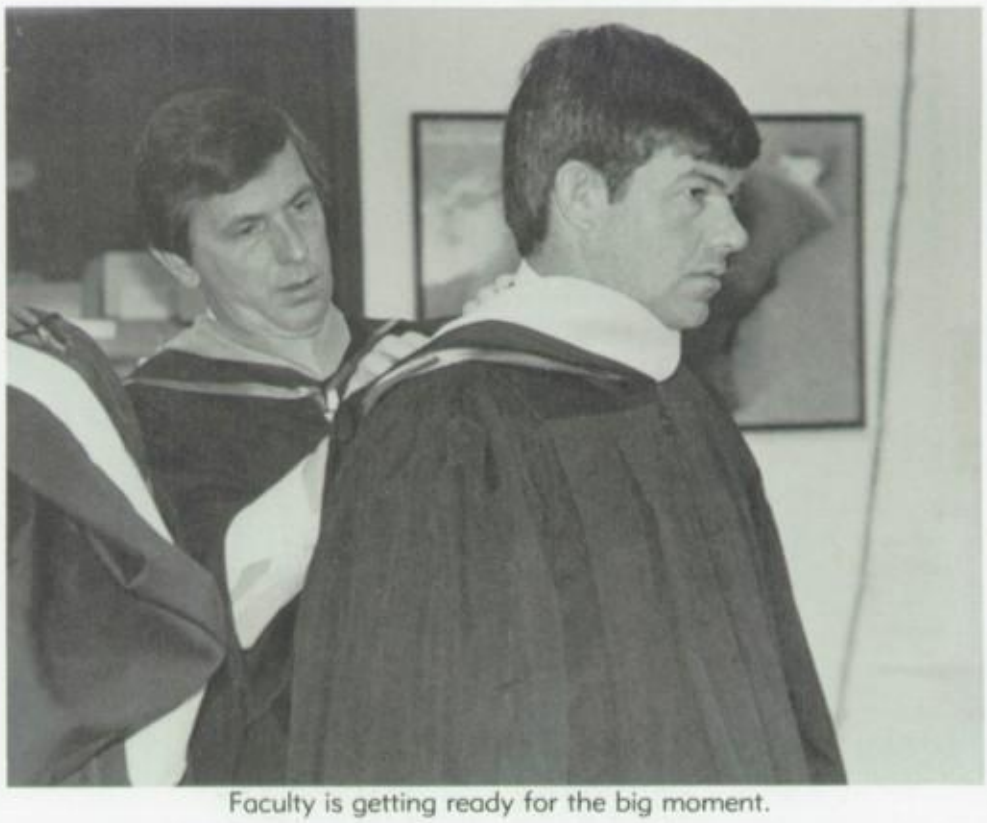
London Bridge is falling down!

The Graduate

High school will probably remain the clearest and the most memorable four years for anyone. Although each graduate desires to go his own separate way, he cannot help but fear what lies ahead. After all, graduates are facing new and different challenges.

June 6, 1982 came suddenly for the 540 graduating students of Naperville North. While the near-graduates were sitting in the fieldhouse their thoughts were understandably the same. It was almost as if each one was envisioning the high school years all over again.

As each one received his diploma, a sense of achievement was attained. The 1981-82 year wouldn't have been the same without them.



Faculty is getting ready for the big moment.

Elissa,

Consumer Ed... well, uh, an experiance I guess?!! That is great about the pageant you were in! What an experience!! I was excited for ya! I feel about the same about Contemp. Lit. Oh well! You have a great summer. Ill see ya next year when we rule the School. Stay sweet and keep your smile!

Nancy

Received by Chris Brian.

Connie Brown what's my name! Senior class, that's right! Yeah, it's hard to believe we are seniors already! Stay cool, stay low, be loose!

Love,

Connie

give me a call!

NO, NOT TO WORK FOR YOU! TO GO OUT!

Elisa,
It was super fun in gym! I'm so glad we became friends. I hope we get some classes together next year. That would be great! Have a super summer and keep in touch! Good luck always!
Love ya,
Jeanne ☺

Elissa,
I'm glad you were in my Contemporary Fiction class this year. I wish we had more time though - it seemed like we just started to know each other right before school ended. Hope we have some classes together next year. Have a Great Summer!
Love,
Kim

Elissa,
I'm glad I got to know you this semester and I hope we can become better friends. I really had a good time in Consumer Ed. this semester. I hope we're in a few of the same classes next year.
Have a good summer & good luck this & every year.

Elissa,
This has been a great year with you in choir. You really know how to cheer a person up when there down. Choir will be lonely with Mr. Coleman gone! Talk to Kim lately. We'll have to get together this summer. Good luck with Everything you do. Love always,
Julie Galbraith

ELISSSA!
This year has been the best so far! Can you guess why? "Doing the body" and I'll remember ya.
Love Dan, see ya next year

Thanks alot Lisa when I needed your help in Contemporary Fiction and you offered to help me. I really appreciate it that. Have a nice summer and if you have any questions, call me up.

Ro

P.S. You're going to win the beauty pageant next year.

Elissa,
It's quite difficult trying to find a place to write in your year-book. What can I say? Consumer Ed & Contemp. Fiction (my 2 FAVORITES) were actually very boring (I'm sorry I just can't bring myself to say they were fun). Of course we did have our share of fun in Cons. Ed. Have a good summer - oh, forget that - I forgot we'll be working, which limits our fun! Oh well, Do the best you can!
Loreen

This is my big chance for revenge but I should do it more effectively and effectively in person. I'll try my hardest to avoid you over the summer so be carefull you don't be carefull; either way you will be confused as much as I always am.
David S. Locke

Elissa,
I wish we had had a class together this yr. We will have to get together over the summer. I couldn't think of what we had together, you just reminded me. Megue? I even spelled it right. I hope we have class next yr. as SENIORS. Looks like we made it!!!!!!!!! ☺ Class of '84 rules, but only because of us. Best of luck! Friends forever.

Love,
Janet

Elissa I don't know what I would've done w/o you in Contemporary. Thank goodness someone knew what the assignments were! Believe it or not, I'm going to miss that class! I'm glad I've gotten to know you. You're a neat person.
Love,
Carrie

Elissa
your such a sweet person. Lunch was real. The lights went out! oh well your a super person! Love
Katie Wals

Elissa,
I'm so glad my fave dance partner and I had classes (or a rather a class) together this year. You're in choir next yr. right?! I don't know what I'm going to do when you grad. so make sure we keep in touch until then!
Love ya,
Jill Lukina

Elissa,
I'm so glad we stayed close this year. Just remember "Guys are stupid!" (except for Chris, of course) You are so beautiful YOU MAKE ME SICK! (J.K.) Love,
(See you this summer)

Elissa,

Elissa,
Well Miss Alto, It's you and me next year. Do you think we'll ever learn a part! I want to thank you for all the 1,000 times in choir and in my eyes you'll always be Miss Junior Miss Illinois! Best of luck. Have a rowdie great summer!
Lov ya,
Amy Fradelle '86

Elissa,
It was great seeing you again this year. Accounting was fun with Mickey and Mr. Buckley. I hope to see you over the summer and next year! Keep in touch! Good luck.
Love, Julie '84

Elissa -
I'm Really Glad we've met, you're a real sweetheart. Take Care
[illegible] '85

Elissa, well, english was thrilling. I don't know you that well but you seem like a nice person. I hope I see you over the summer or we have some classes together next year. Good luck always,
Love Tera

Elissa,
I'm really glad that I can say you're my friend. You really have a good voice. Thanks for all the support this year. I don't know what I would have done without you.
Love,
Kris

Elissa,
Next year you better come to Young Life! It will be FUN. I'm glad we were in PE together. It was fun. See ya during our Senior year.
Love always,
Peggy Brucke '84

Elisa,
I'm glad we become friends. I'm sorry you didn't win the pageant although you should have! Stay sweet + I'll see ya later 6/6
